WASHINGTON, DC

ORDER NO. 8880

IN THE MATTER OF:

Served August 3, 2005

Application of JBT ENTERPRISE,)
LLC, Trading as ACCESS MOBILITY)
TRANSPORTATION, for a)
Certificate of Authority --)
Irregular Route Operations)

Case No. AP-2005-111

By application accepted for filing July 13, 2005, JBT Enterprise, LLC, a Delaware limited liability company trading as Access Mobility Transportation, seeks a certificate of authority for irregular route operations in vehicles with a seating capacity of less than 16 persons only, including the driver.

Applicant proposes doing business under the trade name, "Access Mobility Transportation", which the record shows is registered to applicant's president and CEO, Timothy D. Traylor, instead of applicant. Applicant will be directed to file proof that ownership of the trade name "Access Mobility Transportation" has been transferred to JBT Enterprise, LLC.

Applicant proposes commencing operations with one van. Applicant's proposed tariff contains rates for one-way and round trip transportation as well as hourly charter rates with a minimum charge.

Applicant's Exhibit B contains rates that appear to cover intra-Virginia trips. This Commission does not have jurisdiction over intra-Virginia transportation, and the application indicates that applicant does not possess any intra-Virginia authority. Applicant will be directed to state whether it intends to furnish intra-Virginia service, and will also be directed to file an amended Exhibit B that clearly states where service will be provided and which rate category applies for trips between applicant's self-designated zones.

This proceeding is hereby initiated to determine whether applicant is fit and whether the proposed transportation is consistent with the public interest.

THEREFORE, IT IS ORDERED:

1. That applicant shall publish once in a newspaper of general circulation in the Metropolitan District, no later than August 17, 2005, notice in the form prescribed by the staff of the Commission.

2. That applicant shall file with the Commission, no later than August 31, 2005, an original and four copies of an affidavit that notice has been published as required in the preceding paragraph.

3. That applicant shall file with the Commission, no later than August 31, 2005, an original and four copies of proof that ownership of the trade name "Access Mobility Transportation" has been transferred to JBT Enterprise, LLC.

4. That applicant shall file with the Commission, no later than August 31, 2005, an original and four copies of a statement explaining whether applicant intends to furnish intra-Virginia service.

5. That applicant shall file with the Commission, no later than August 31, 2005, an original and four copies of an amended Exhibit B that clearly states where service will be provided and when each rate category applies.

6. That the deadline for filing protests, comments, applications for intervention, and requests for formal hearing, is August 31, 2005, and that copies must be served on applicant's president and CEO, Timothy D. Traylor, 905 Brick Manor Circle, Silver Spring, MD 20905.
